

IAML GREEK BRANCH

Building Networks for Music
Libraries and Archives in Greece
Since 2016

Founded in 2016, the Greek Branch of IAML serves as a national network for institutions and individuals working with music libraries, archives, collections and documentation. We foster collaboration, professional exchange and knowledge sharing, promote Greek initiatives internationally, and strengthen connections between Greece's musical heritage organizations and the wider international community.

OUR COMMUNITY

29 Members

- 15 Individuals
- 14 Institutions
- 1 Honorary Member

One of 26 national branches worldwide, we actively contribute to the international IAML community through conferences, committees and working groups.

OUR ACTIVITIES

National Conferences

- 5 national conferences organized since 2017
- Regular participation in IAML international congresses and professional networks

Professional Development & Outreach

- Online discussions and round tables
 - Educational presentations and training activities
- Knowledge exchange among libraries, archives and cultural institutions

"Meet Your Library/Archive"

Our flagship monthly online series, launched in 2023

- 23 presentations to date
- Showcasing libraries, archives, collections and private initiatives
- Available through our YouTube channel (IAML Greece)

WORKING GROUPS

Our members collaborate through specialized working groups:

- Advocacy
- Conference Proceedings
- Copyright
- Digital Exhibitions
- Interdisciplinary Research
- Documentation of Libraries, Archives and Collections Containing Music Material (Access to Music Archives-GR)
 - Music Librarianship Education

IAML-GR Digital Administrative Archive
